SODIC: EGP 36 mln Q1 Profits and EGP 1 bln YTD sales

Cairo, Egypt

May 30th 2012, SODIC ("Sixth of October Development & Investment Company") has released its consolidated financial results for Q1 2012 period. SODIC reported a net consolidated Profit of **EGP 36 million** on consolidated revenues of **EGP 312 million** for Q1 2012.

SODIC had an operationally outstanding start to the year with record new contracted YTD 2012 Gross Sales of **EGP 982 mln**. The strong figures are mostly due to SODIC's new product line of City Villa's and Duplexes in its Westown Residences Development. Cancellations have been negligible at **EGP 63 mln**, leading to Net Sales figure of **EGP 918 mln**.

During Q1 2012, the Company achieved EGP 753 mln of gross sales, with minor cancellations of EGP 37 mln, taking net contracted sales to EGP 715 mln. The Company also accomplished on schedule unit delivery of 83 units worth EGP 268 mln and cash collection of EGP 156 mln with a minimal 11.8% delinquency rate.

On the legal front, SODIC is currently still enrolled in the CRC (Conflict Resolution Committee); a committee designed to fast track investor issues, and is pending a decision after NUCA sent a revocation letter for the Eastown plot (0.86 mln Sqm).

SODIC is planning a number of new projects launches in the coming period. Westown Residences phase 5 is a continuation of the successful launches and will target the upper middle income segment with unit values ranging from EGP 1.2 mln through EGP 2.0 mln. SODIC is also launching a retail destination in SODIC West, Westown Entertainment Hub, which will generate lease revenues of some EGP 30 mln by 2015.

Q1 2012 Operational Summary:

SODIC delivered 83 units in Q1 worth EGP 268 million. This brings total Allegria deliveries at end of Q1 2012 to 449 units (35% of Project units) worth EGP 1.1 bln. SODIC expects to deliver some 350 unit for FY2012.

Q1 2012 contracted Gross Sales reached EGP 753 million with cancellations at a minimal EGP 37 million. Q1 2012 reached a net sales position of EGP 715 million.

SODIC's cash collection process led to collecting more than 88.2% of Q1 2012 project receivables. The tightly managed cash collection process secured EGP 156 million of total Company receivables for the quarter.

SODIC's commitment to clean up delinquent contracts in 2011 has given the company improved visibility on its operations. Management believes that the bulk of cancellations have been realized and that the company is experiencing stronger sales, improved cash collection and on schedule delivery.

SODIC's main priority in 2012 remains to maintain its strong balance sheet with clear guidelines on unit delivery, construction, cash collection, new sales and debt management.
